## Change page size in PowerPoint

1. Click the **Design** tab.

2. Click the Page setup icon.

3. In the Page setup box, under the Slides sized for drop down menu, chose Custom.

Page Setup		8 22
Sides sized for:   Custom   Width:   29.7   Cm   Height:   20.99   Cm   Number slides from:   1	Orientation Slides	OK
	Notes, handouts & outline Portrait C Landscape	

4. Type the desired paper width and height in the corresponding boxes.
