Scholarship description

These Scholarships are offered annually to Maori students enrolled in any Masters or postgraduate level Bachelors (Honours) degree, or any Postgraduate Diploma. These regulations apply to enrolments commencing on or after 1 January 2016.

Students will be assessed for scholarship eligibility when their application for postgraduate admission to the University of Auckland is approved. To be awarded this scholarship, applicants must have obtained their most recent qualifying programme at a recognised university and have achieved a GPA of 7.50 or above in that programme.

Selection process

- The Scholarships are awarded by the University of Auckland Council on the recommendation of the Scholarships Sub-Committee

Regulations

1. The Scholarships shall be known as The University of Auckland Maori Postgraduate Scholarships.
2. The Scholarships will comprise a stipend of up to \$13,000 pa paid in fortnightly instalments, plus compulsory fees for the programme (see Notes vii and viii). Payments and tenure will be pro-rated for part-time students (see Note iv).
3. The Scholarships will be offered each semester to students who enrol full-time at the University of Auckland in a Masters degree, a postgraduate Bachelors (Honours) degree or in a Postgraduate Diploma (see Notes i and ii). The scholarships may also be available to students for whom socially compelling reasons make part-time enrolment preferable (see Note iv).
4. The Scholarships are tenable by Maori students who are citizens or permanent residents of New Zealand who have completed their most recent qualifying programme at a recognised university.
5. The basis of selection is academic merit, measured by the grade point average (GPA) assessed over the applicant's most recent qualifying programme (see Note iii).
6. Applicants will be awarded by the University of Auckland Council on the recommendation of the Scholarships Sub-

Committee. Applicants with a GPA of 7.50 or above will be awarded this Scholarship subject to Note i and ix, and Regulation 4.

7. To take up the scholarship, awardees must have enrolled in a Masters or postgraduate Bachelors (Honours) degree or in a Postgraduate Diploma by the next available semester after the date of their confirmed offer, otherwise their scholarship offer will lapse.
8. Scholarships shall be tenable until the date for completion of the requirements for the degree or diploma as specified in the applicable programme Regulations (see Notes vii and viii). Fortnightly payments shall commence from Week 3 of the initial semester of programme enrolment. Masters recipients who commence their programme in December will receive their stipend payments from the third week of December.
9. The amount of additional and paid work a Scholar may undertake either inside or outside the University shall not exceed a total of 500 hours per year during the tenure of this Scholarship (See Notes iv and v).
10. When a student, through withdrawal or failure to meet any programme requirements, is no longer eligible to pursue the programme of study for which the Scholarship has been offered, the Scholarship shall be terminated. A student enrolled in a 240 or 300 point programme must achieve a GPA of 7.5 or above in the first 120 or 180 points of the programme respectively in order to retain the scholarship. A student enrolled in a 360 point programme must achieve a GPA of 7.5 or above in each of the first two years of equivalent full-time study in the programme in order to retain the scholarship.
11. A Scholarship may be terminated by the University of Auckland Council on receipt of an unsatisfactory academic progress report from the student's Head of Department.
12. A University of Auckland Maori Postgraduate Scholarship may be held with any other study award or grant where the Regulations for that award or grant permit and where the University of Auckland Council so approves. If the value of the additional co-tenured stipends exceeds 75% of the stipend value of The University of Auckland Maori Postgraduate Scholarship, the emolument for The University of Auckland Maori Postgraduate Scholarships will be reduced to limit the value of the additional co-tenured stipends to 75% (see Note v).
